Bwana asifewe! Praise the Lord!

Thank you so much for praying for us while we were in Kenya! God did more than we could ask or imagine! He brought a great team together, working alongside Pastor's Hudson and Omido who had put a great programme together, and everyone worked tirelessly throughout a very busy schedule; He kept the rains away so that we could do all the school assemblies, open-air crusades, and every sports event went ahead; He kept us safe whilst we travelled, and healthy; He gave the words to whoever was speaking; He brought thousands of people together to hear the Word...and above all, He **saved many souls!** Hundreds, even thousands!!!

School Assemblies

During our time out there we had the opportunity to go into around 20 different schools, speaking to over 7,400 children! We shared Bible stories with them and did different dramas, **explaining the Gospel** to them clearly. We were then able to **make an appeal** and it was such an encouragement to see so many responding to what they had heard. In some schools there was also opportunity to play football and netball with the children and teachers and even a little bit of volleyball! **Praise God** for the great time that we had with all the children and for all who responded to the Gospel!

Sports Tournaments

Everyday in the afternoons we had football, and sometimes netball, tournaments. There would be 3 or 4 teams play each day and then we would play the winner. After the games we would gather everyone together and one of us would share a message or testimony. Then we gave them the opportunity to respond to what they had heard and many gave their lives to Jesus! It was amazing to see God at work in their lives! **Pray for the pastors as they follow up those who were saved.**

Pastors Conferences

John and Mervyn had the privilege of preaching at Pastors Conferences in two different areas whilst we were there. Lucy was also able to join them and minister to them in song. They were able to encourage the Pastors in the work that they have been called to do and also to encourage them and bring teaching to them from the word of God. **Praise God** for the work that He is doing through the Pastors over there and for their **faithfulness** to carry it out.
