

### Church Services & Open-air Crusades:

We preached in 12 churches and did 6 open-air crusades. This was a great opportunity to share with the locals about the **Good News of Jesus Christ!** It was great to be able to encourage the Christians out there to keep growing in their faith and to keep telling others! It was also great to see the people gather together to listen to what was being shared at the open-air meetings and then to see many respond as an appeal was made. Please continue to pray for the Pastors as they lead the churches and also as they follow up on those who made commitments during our time there.

### Statement from Samuel:

"My highlight was spending so much time in the schools, sharing the gospel through fun illustrations and dramas that the kids loved and responded to. Also playing football and netball with them was great fun too."

### Message from Matt:

"Whilst in Kenya it was so clear to me that **God was in it all**. Throughout the 11 days there were so many God instances. It was a real encouragement. It rained everyday we were there, but not once did it rain while we were preaching the gospel or while we were doing assemblies. It only rained in-between halves in football, while driving or at night. This was amazing because we would not have been able to speak to the number of people we did if it was raining. In Africa everything is roughly planned to within a few hours, but everything seemed to flow so well. The timing of everything we did was perfect and all the assemblies ran so smoothly."

### Words from Will:

"It was great to be back in Kenya again so soon! One of the highlights for me was an unplanned lesson with a classroom of around fifty 16 to 20 year olds and being given the opportunity to share the gospel with them and to be able to take them through **John 10:10** of how the thief comes to steal, kill and destroy, but **Jesus comes that they may have life and have it to the full**. It was great to see so many of them respond and give their lives to God! It was also good to link up with players and people that we had met in years previous who we hadn't seen for such a long while and to see them going on with God and growing in their walk with Him. It was a blessing to share the gospel with so many in schools, in churches, in conferences, in Bible times and open-air meetings. We **praise God** for all that He was able and pleased to do over the time that we were there and pray on that many many more would find Him as Lord and Saviour and that they would grow deep in their walk with Him. **Thank you for praying!**"

"I'm feeling great and blessed to have met the sports outreach team. You have helped me change my attitude in life and a feeling of freedom has been extended to me...I'm a changed person and will work to strengthen my faith as I will be preaching to those I will be training!"
