Article I. NAME

1. The name of the league shall be called the 'SportsReach Football League' hereafter referred to as "the league". The league comes under the authority of 'SportsReach' overall ministry.

Article II. MEMBERSHIP

1. Membership shall be open to all Churches or Organisations whose message is Evangelical and who believe in the Scriptures as the inspired, infallible word of God.
2. All the teams must be managed by committed Christians, and will abide by the laws of Association Football.

Article III. AIMS AND OBJECTIVES and PRACTICAL STEPS FOR LEADERS

1. The overriding purpose of the league is to reach people for Christ through the avenue of football.
2. This league is an 'outreach' league, and the Executive recommends that all team Managers, and spiritual leaders should try to have at least 4 or 5 non-Christians in their respective teams.
3. Managers are responsible for making sure these guidelines are kept.
4. Any team, individual or player or official whose conduct is deemed to be contrary to these objectives will be subject to disciplinary action to be determined by the Executive.

Article IV. AIMS OF THE LEAGUE:

1. To maintain that The Lord Jesus Christ is first and foremost in our league.
2. To advance the Gospel of God to all, in the best way we can.
3. In every match, there should be a presentation of the Christian message, which all players are encouraged to attend as well as spectators. It is the responsibility of the home manager to prepare / delegate this biblical presentation well in advance.
4. Managers and Team Leaders are encouraged to take a pastoral role within their respective teams. This involves caring for the welfare of each individual by various means e.g. Caring for the sick and injured, comforting the bereaved, and giving help wherever needed.
5. Prayer is a vital part of Christian Ministry and the Executive encourages Managers and Team Leaders to meet for prayer.
6. Football is a great way of communicating the Christian message – One to one friendships can be built with players, and invitations should be encouraged to Church meetings and social activities.
7. The Managers' Meetings are vital to the running of the league. Managers are expected to attend each meeting of which there are roughly six per season. If for any reason a Manager cannot be present, the Manager should inform the Chairman prior to the meeting and a representative must be sent (authorised by the Chairman prior to the meeting).
8. The End of Season Awards dinner is a very important part of the league. The Executive expects all Managers and players to attend.
9. The league seeks to set a good example of sportsmanship, and because of its Christian nature all Managers, Team Leaders and players are expected to maintain a high standard of behaviour on and off the field, and travelling within their respective teams. The Managers and Team Leaders are expected to support the referee at all times. Foul and abusive language both on and off the field is not tolerated in the league and will be firmly disciplined if it occurs.
10. The central importance of the league is not winning but to portray the love of Jesus to all. People from varied backgrounds throughout the community are to be encouraged to play and enjoy, with a view of seeing and believing the Christian faith.

Managers should personally read these 10 aims and objectives before the start of each season and make players aware of any that are relevant to them.

4. Teams should appreciate the difficulties facing referees and endeavour to assist them by displaying good conduct and encouragement.
5. The football rules within SportsReach are largely the same as the F.A rules, although we do have a different motivation to consider (Constitution aims & objectives points 1 & 2).
6. At the beginning of each new season, the exec will consider and discuss any new rules being implemented by the FA and will decide if they are applicable to the SportsReach Football League.

 - b. **Free kicks**
 - i. In keeping with the addition of new rules in the 2019/20 season by the FA, when the attacking team is awarded a free kick by the referee, they can take it straight away, to preserve the advantage, rather than having to wait for the referee's whistle
 - ii. This is, however, at the discretion of the referee.

 - iv. If the referee chooses to allow the game to continue, the player who committed the foul will then be booked in the next phase of play.

Article XII. SUSPENSIONS

1. The exec reserves the right to call players before the exec at any point during the season, to explain their conduct.

2. If a player accumulates 3 yellow cards during a season (not 2 in a match, as that will equal a Red card), the player and their manager will be expected to meet with members of the exec and explain their conduct and serve at least an automatic 1 match ban.
3. If they gain 2 more yellow cards during the season, the player and their manager will be expected to meet with members of the exec again and explain their conduct, who will then decide on appropriate punishment, which will be at least a two-match ban.
4. Bookings will equate to a points system during the season, with a yellow card equivalent to 2 points and a red card equivalent to 5 points.
5. Once a player reaches 6 points, the player and their manager will be expected to meet with members of the exec and explain their conduct and appropriate punishment will be imposed.
6. If a player gains a 3rd yellow card in the final match of the season, the 1 match ban will be wiped out for the following season.
7. Depending on the Red offence, it will be either a 1 match ban, or for violent conduct, 3 matches, to be served immediately.
8. Intimidating or threatening behaviour has no place in the League and will not be tolerated in any form. It will be dealt with firmly by the exec if it is brought to light that a player has behaved like this.
9. The Executive has the power to extend suspensions depending upon the situation.
10. Players have the right to appeal against a booking, but must have the backing of their Manager.

12. A disciplinary table can be viewed on the SportsReach League website outlining which players have received yellow and/or red cards.

Article XIII. REGISTRATION

1. Each team will register its players with the league by means of a registration form.
2. All players **MUST BE SIGNED ON** by their respective teams before they can play any part in the league.
3. Any team playing an unregistered player shall forfeit any points gained or goals scored in a league match and shall be subject to a one point deduction.
4. The opponents in such instance shall be awarded 3 points and a victory of 3-0 (unless in the match such opponents score more than 3 goals in which event they shall be deemed to have scored the goals actually scored).
5. For the 2019-20 season, it has been agreed that we could relax the rule on player registration to allow any players to play in league matches even if they are signed on for another team outside of the SportsReach League.
6. **IT IS ESSENTIAL THAT ALL PLAYERS STILL SIGN A REGISTRATION FORM FOR THE SPORTSREACH LEAGUE BEFORE PLAYING.**
7. The consensus was that managers can all trust each other to apply this rule in good faith and that the more people hearing the Gospel each week, the better.

4. Referees must always be notified before any changes take place.
5. We will trust managers to use this facility wisely for the benefit of the players and not to create an American Football style system of changing players dependant on which end of the pitch play is at!
